Support our grieving families
on their path to healing

May Day celebrates the coming of summer and new beginnings, and we are excited to share this holiday with our community at our 4th Annual May Day Walk, a fundraiser benefiting The Healing Center.

The Healing Center is a non-profit, grief support community for adults, children and families, in Seattle, WA.

Our community offers a unique, long-term, multi-faceted approach to grief support, combining peer support groups and individual therapy with social events.

With your event sponsorship, we can create and sustain existing support groups and programs. You will be recognized by our expected 200 event participants as well as the many visitors to Gas Works Park on the Sunday afternoon of boating weekend.
